## Parking Regulations

Parking on the Mercy Academy Campus is considered a privilege for students. Each student who drives must have her own parking tag. Students may **not** share a tag. Mercy Academy does not assume any responsibility for damage to private vehicles brought onto campus. All student drivers must be licensed and have appropriate auto insurance.

### Parking Rules:

1. Mr. Edgerton has parking passes in the Athletic Office.
2. All vehicles parked in the student lot on school grounds must be registered with the school and place the parking sticker in the lower left hand corner of the windshield.
3. Once a student comes on campus, she must lock her vehicle and enter the building. No one is allowed in the parking lot during the school day without permission from the administration.
4. Once on school grounds, you are at school. The only way you may leave is to check out at the office.
5. Student vehicles are subject to search if there are reasonable grounds to believe that drugs, alcohol, stolen property or other contraband might be present in a vehicle.
6. Students will park only in the designated "student parking areas".

I have read and agree to abide by the driving regulations set forth above while on the Mercy Academy Campus. I also understand that repeated violations may result in loss of driving privileges on campus and / or towing of personal vehicle at owner's expense.
