Calendar Notes:

All calendar changes will be communicated as quickly as possible through the Monday Parent Updates. Please note, in situations beyond our control, calendar changes may be made with very little notice.
- Absences before or after a scheduled school holiday are not excused without a doctor's note.
- A "conditional absence" (e.g., grade school retreats, leadership/educational conferences, athletic travel, etc.) is an excused absence that meets specific guidelines. In order for the absence to be considered for approval, a parent must complete and submit a conditional absence request form (see Quick Links) to the assistant principal **at least one week prior** to the requested date of absence.
- *If Mercy is mandated to move to a 100% online model prior to **Fall Break**, October 19 may be added to the calendar as instructional days.
- *The following **major changes** have been made since the February 2020 highlights calendar:
 - **SEPTEMBER 8-11:** Freshman activities have been postponed (details TBD)
 - **SEPTEMBER 18:** Practice ACT on-campus for **all juniors (required) and seniors (optional)**. No school for freshmen and sophomores.
 - **SEPTEMBER 25:** M-Z on campus and A-L at home (planned teacher in-service has been **canceled**).
