Mercy Academy continually seeks new resources to provide increased financial aid and scholarships each year. Over \$687,000 will be available for need and merit based grants and scholarships in 2018-19. We encourage families to apply for financial aid by following the procedure outlined below:

- Mercy will provide a link to the FACTS Grant & Aid Assessment application for all school families and all 8th graders who took the placement test at Mercy in January. This is an online only application process.
- You must create your FACTS online account for tuition payment and for financial aid evaluation.
- File your taxes early!
- Fill out the entire online questionnaire and pay the \$25 application fee. If possible, upload a .pdf file that includes your tax return, all W-2's and any supporting documentation that is required. You can also mail or FAX your supporting documents to the FACTS Company.
- Your application is due to FACTS by February 28.
- Families will receive an email notification from the school in early May letting them know to check their FACTS account for award information.

Please note: your daughter must be pre-registered for the fall semester in order to receive financial aid notification from the school.

If you are interested in Work Study, you will find an application on our website. Simply go to Quick Links, then 2018-19 Financial Aid information, and you will see the application link at the bottom of the page. Please return the application to Mercy. Only 44 slots are available and they fill quickly.

GRANT AND SCHOLARSHIP INFORMATION

A pool of money made up of Mercy funds, Archdiocesan funds, Mercy Faculty & Staff Scholarship funds.

Memorial & Corporate Scholarships:

Scholarships awarded each year for academic, service, and community leadership. These are applied for in the spring, awarded in May and the funds reduce tuition the following school year. Sisters' Discount:

Families with more than one student attending Mercy will receive a 15% discount off the oldest daughter's tuition. For 2018-19, the discount is \$1,890.00.

Work Study:

Qualifying students may work at Mercy for an hour after school each day during first or second semester. This program is limited to 22 students per semester.

THE COST OF SECONDARY EDUCATION

Mercy Academy provides a 21st century college preparatory program in a personalized setting that educates and empowers students intellectually, socially, physically and spiritually, all while "preparing them for real life" as vibrant women of faith and mercy in our world.

The costs are significant for a quality education yet we do all we can to keep tuition as low as possible. The actual cost per student is significantly more than the amount of tuition charged. To make up the difference, our Advancement Office sponsors several fundraising events annually, including the Walk-a-thon and Benefit off Broadway. Your support of these annual fundraisers is greatly appreciated.

~ Benefits of a Mercy Education ~

↪ Look Inside

The sheer diversity among Mercy students is a God-sent reminder that every student has something unique to give to the world when they can find the confidence to look inside themselves and seize it – and at Mercy, you can, and you will.

↪ Achieve Beyond Your Expectations

Supported by a modern curriculum, expert faculty, and new campus facilities, Mercy students of diverse abilities acquire the knowledge, Christian values and sense of self to achieve beyond their expectations, positioning themselves for success and fulfillment in college and life.

↪ Do More with What You Learn

Mercy challenges students to apply newfound knowledge to real world situations, reinforcing to every Mercy woman that their knowledge can only make a difference if they apply it.

↪ Experience a College-like Environment

Mercy maintains small class sizes so that each young woman has the opportunity to build mutually respectful relationships with both faculty and fellow students, ultimately leading to a college-like environment of camaraderie, candor and independent thinking.

↪ Take Us with You

More than a place on a map or even a second family, Mercy Academy is a feeling, one that takes hold sometime freshman year and remains with a young woman forever, an ever-present affirmation of her innate potential, inner goodness and resiliency no matter the opportunity or obstacle.

↪ Prepare for Real Life

At Mercy Academy, we empower our students to pursue their dreams and change the world. We are committed to a unique, hands-on curriculum focused on critical thinking and real-life problem solving. We prepare our girls to excel in college and pursue their passions in life.
